1 March 2011 (Tuesday) > Launching Venue: One World Hotel > 8:00 am - 6:00 pm

HIGHLIGHTS

REHDA YOUTH, in collaboration with REHDA Institute is proud to offer a very rare chance to take an intimate tour around 4 GREEN Rated developments in Malaysia.

This inaugural tour will showcase KEN BANGSAR Serviced Residences in Bangsar, GTower, an MSC certified building in KLCC, First Avenue also an MSC certified office tower in Bandar Utama and the low-rise homes at Challis Damansara. These developments have acquired GREEN certifications from either Malaysia's GREEN BUILDING INDEX (GBI) or Singapore's BCA GREENMARK.

Participants of the tour will be assigned into four groups, each with a different schedule and bus route, but will still tour all 4 developments throughout the day. Breakfast, lunch and refreshments are included.

You may have heard about these GREEN developments at seminars or read about them in the newspapers, but this is the first time that an offer is provided to be guided throughout these developments by its creators and experience a GREEN building for yourself first hand. The objective of this tour is to allow industry practitioners, consultants, government authorities, academics, developers and members of the public to fully experience and understand the workings behind these benchmarking developments.

CPD points are being applied from LAM, BEM and BQSM.
