INTRODUCTION

The property sector is a challenging industry. With the recent fall of the U.S and Europe markets, it has created deepening fear of an impending global financial crisis, and there are widening concerns on the impact on the Malaysian real estate market.

As we embark on the new year of 2009, join us as we hear from local and regional experts on the overview of trends and direction forecasts for 2009, challenges and opportunities developers and industry players can expect in 2009!
